- Credit toward spinning the wheel of prizes
- Money raised for charity
- A very exciting bonus

As their sponsor, you receive 5 cents every time they spin the wheel of prizes and 2 cents every time one of their referrals spins the wheel of prizes.

Sponsorship Program **Residual Income**

Residual Income

As long as you are a part of our program you will receive a residual income from all the people you sponsor. You are the sponsor for anyone you refer to the site or are the first purchase of a free agent.

We give everyone three incentives to make the purchase:

- Credit toward spinning the wheel of prizes
- Money raised for charity
- A very exciting bonus

As their sponsor, you receive 5 cents every time they spin the wheel of prizes and 2 cents every time one of their referrals spins the wheel of prizes.

People Sponsored	Projected Monthly Income	Projected Annual Income
1000	\$2,500	\$30,000
10,000	\$25,000	\$300,000
100,000	\$250,000	\$3,000,000

All projections are based on the average person. The average person is defined as someone who refers 10 others and spins the wheel of prizes 10 times per week.

FUNdraising Wheel Sponsorship **Sales** Program

The average sponsor will receive more than 47 sales for every \$25 in product costs.

If your item costs \$25 you will average more than 47 sales for every \$100 in donations to our Wheel of Prizes you make.

If your item costs \$100 you will average about 12 sales per \$100 in donations to our Wheel of Prizes.

Either way you will receive about \$1200 in sales on average for every \$100 donated to our Wheel of Prizes. The \$100 is the retail value of your item and not the actual cost so your total output will be less than \$100.
